THE BANCROFT RANCH

21401 PARROT RANCH ROAD

CARMEL VALLEY

Working Equitation is a fast-growing sport in which competitors may ride ANY type of horse (or mule or donkey) in ANY style of tack. It is a multi-phase competition that includes a dressage trial, an ease of handling trial (obstacles), and at higher levels, an obstacles-at-speed phase.

In each session, we will be working through obstacles that you might have on a WE course or on a trail course. Ali's goal is to acclimate horses and riders to obstacles in a way that builds confidence right from the start. For more experienced WE horses and riders, Ali will help refine techniques for better scores. Ali is a kind teacher with a compassionate way of working with horses and their people. This clinic offers something for everyone.

Cost: \$150 for a three hour group session on Saturday, six rider/horse teams
(\$10 Arena Fee)
